The best of R.K. Narayan's enchanting novels. The New Yorker Raju, a corrupt tourist guide, together with his lover, the dancer Rosie, leads a prosperous life before he is thrown into prison. After release he rests on the steps of an abandoned temple when a peasant passing by mistakes him for a holy man. Slowly, almost reluctantly, he begins to play the part, acting as a spiritual guide to the village community. Raju's holiness is put to the test when a drought strikes the village, and he is asked to fast for twelve days to summon the rains. Set in Narayan's fictional town, Malgudi, The Guide is the greatest of his comedies of self-deception. A brilliant accomplishment! Narayan is the compassionate man who can write of human life as comedy. The New York Times Book Review Narayan is such a natural writer, so true to his experience and emotions. V.S. Naipaul
